Please read with your child every night. Share your reading time together.

Homework must be completed for Tuesday each week

INSPIRING START

A VISIT TO WINDMILL ANIMAL FARM
LIVERPOOL PHILHARMONIC HALL

PARENT PRESENTATION

Assembly

AS MATHEMATICIANS WE ARE....

This term we will be focusing heavily upon fractions, decimals and percentages and completing our work with multiplication and division.

AS READERS AND WRITERS....

We are creating non-chronological reports about the Mayans. We will then be writing an Amazon Adventure. The 'Amazon Survival Guide' instructions will follow and finally we are creating persuasive letters relating to the Amazon crisis.

AS INVESTIGATORS WE ARE.....

SCIENCE: Learning about the states of matter and properties of materials. We're considering what makes something a solid, liquid or gas and learning about separating different mixtures through evaporation, sieving and filtration.

AS ENQUIRERS WE ARE.....

GEOGRAPHY: We will learn about trade, and where our items come from. We will look at Fair Trade and sustainability and consider how our choices as consumers affect others.

HISTORY: The Mayans. This non-European civilization forms our historical work this term as we consider not only the geography and environment of the region but also the significance of its past and its link to current native people of the Amazon.

RELIGIOUS EDUCATION: We will be looking at Christianity, and considering if like is like a journey. We will be looking at key events in a Christian's life including Baptism and Confirmation.

AS COMMUNICATORS WE ARE.....

COMPUTING: We will be using data loggers to take readings for our region and compare results to those in the contrasting climate region. Using spreadsheets to gather data and then drawing conclusions from this.

SPANISH: Our work this term focuses upon designing a monster and my likes.

AS YOUNG PEOPLE WE ARE...

.taking responsibility for our roles as consumers. Considering how our choices affect others. Being responsible citizens, understanding that our consumer choices affect others and the environment.

THE ART OF FOOD
