

# Pinfold Primary Forest School

## Newsletter October 2021

Dear All,

Yesterday was the closing date for the position of After School Club assistant and unfortunately we have had no applications. I will of course re-advertise, but I realise this does not help parents for the next half-term. We have racked our brains trying to find a solution, and will continue to try and think of a plan. If parents are happy for children to be taxied to another school we can try and arrange that.

Please let Mrs Halstead know on [bursar@pinfold.lancs.sch.uk](mailto:bursar@pinfold.lancs.sch.uk) if you would like us to try and arrange this.

Due to unforeseen circumstances ***Borwick Hall residential has been transferred to March 28th and 29th 2022.*** This will, at least give more time for monies to be paid and possibly the weather will be better. Thank you for your understanding with this matter.

To learn about

the Christian celebration we are invited to the Autumn Harvest Festival on Tuesday 5th October 2021 at the Good Shepherd Mission, 177 Smithy Lane, Scarisbrick, Ormskirk L40 8HJ.

We are aiming to be there at 9.30am, but it is quite a walk for our littlies so bear with us!! Parents and carers are welcome.

***Please can you send tins and non-perishable goods in for your children to present in the service that would help their understanding of giving and all food goes to the Soup Kitchen in Southport.*** The service won't be long. It is a lovely service and they decorate the building beautifully inside. ***Hope to see you there!***

### Dates for your Diary for the rest of 2021!!

- **Frid 17th Dec: End of term at 3.25pm**
- **The next Forest School date is Thursday 6th January 2022**

**There are no more Forest School sessions this term.**

Despite the rain the children learned how to; create a rope swing; engage in teamwork; use their imaginations- first drying out a brick by the fire, then making clay and decorating the brick, then drying that out by the fire.

The children engaged in teamwork to carry the creation to the fire.

They problem solved how to build a kite, next observing the effects of rain on the kite!!! Children learned how to toast bread, despite damp, smoky wood and play hide-and-seek!!! We love Forest School!
